ALTHEA (Rose of Sharon)

TERMS

With our very low prices we can operate only on a cash with order basis. However, stock will be shipped C. O. D. if one-fourth of purchase price accompanies order.

LIBERAL DISCOUNT FOR EARLY ORDERS

We allow 10% CASH DISCOUNT on all orders received with cash before March 20. 5% CASH DISCOUNT between March 20 and April 15. No discount on C. O. D. orders. Unless special date of shipment is requested, we will ship so as to reach you at the best time for planting in your section.

SATISFACTION GUARANTEED

We guarantee every Tree, Plant or Vine sold by us to be strong, vigorous and healthy, and to deliver them to you in good condition. If for any reason you are not absolutely satisfied with your stock when it is received, advise us at once, and we will gladly replace the items or refund your money.

Green's Trees are True-to-Name. No human caution could be more exacting than ours. If any trees prove untrue to name, upon proper proof, we will replace or refund the purchase price. Obviously, we cannot assume further responsibility than this.

This Catalog Is Our Only Salesman

BY PARCEL POST—3 to 4 ft., 40c each; \$3.00 per 10, postpaid.

SUMMER AND AUTUMN APPLES

Gravenstein—Unexcelled for culinary use. Orange and red. Sept.
 Oldenburg—Yellow, splashed with red. Excellent filler. Late Aug.
 Red Astrachan—Yellow and crimson. Fine for cooking. July.
 Sweet Bough—Large, pale yellow, sweet. Excellent quality. July.
 Twenty Ounce—Very large. Yellow, striped with red. Sept to Jan.
 Yellow Transparent—Pale yellow. Extremely hardy. Late July.

WINTER APPLES

Baldwin—Leading commercial sort. Excellent for export trade. Large, bright red, crisp and juicy. Nov. to Mar.
 Cortland—An excellent new offspring of McIntosh developed by the New York State Experiment Station. An apple of the very highest quality and most pleasing flavor—fully equal if not superior to McIntosh. A little darker red and larger in size than its parent. Often called "The Improved McIntosh." Handles well and is a fine keeper. Ripens about two weeks later than McIntosh. Hangs to the tree better than any variety we know of. Bears young and a full crop every year. Cortland apples sold last year for \$5.00 per box.
 Delicious—Large, conical apple. Brilliant dark red. Excellent quality. Fine for box trade. Nov. to May.
 Fameuse (Snow Apple)—Medium, dark red. Crisp. Nov. to Jan.
 Grimes Golden—Best yellow apple. Bears young. Very vigorous. Nov. to Jan.
 Hubbardston—Large, mottled red and yellow. Oct. to Jan.
 Jonathan—Medium size, red. Excellent quality. Nov. to Jan.
 Northern Spy—A leading commercial sort. Large, bright red. Excellent keeper. Very pleasing flavor. Nov. to March.
 Pumpkin Sweet—Excellent sweet apple. Very large yellow fruit. Oct. to Jan.
 Rhode Island Greening—The leading cooking apple. An excellent commercial variety. Fruit large, yellowish-green. Oct. to Feb.

McINTOSH—An Apple De Luxe

Less Than 10 Trees at Each Rate. 10 to 50 at 10 Rate

McIntosh—Not equaled in quality and flavor by any other variety except Cortland. Its attractive, bright red color and excellent quality commands the top price in all leading markets. Tree hardy, vigorous, a good annual bearer, comes into fruiting young, yielding large crops. Oct. to Dec.

Prices of McIntosh Standard Apple Trees

Size	Age	Height	Each	10	100
Largest	2 yr.	5 to 7 ft.	\$0.90	\$7.00	\$55.00

TREES COULD NOT HAVE BEEN ANY BETTER

17 Chandler St., Waverley, Mass.,
April 27, 1928.

I want to thank you for the quality of the goods and the manner in which my order was packed. Had my order been for ten times the amount the goods could not have been any better. Neither could they have been packed with greater care. Goods received from you previously have always been satisfactory, in fact a little above anticipation.

J. FRANK CLARK.
